MEMORANDUM FOR: DR. WILSON COMPTON
Administrator, International Information Administration
Department of State

SUBJECT: United States Foreign Information Policy Guidance

1. General Smith has referred to me your letter of 5 September in which you asked for CIA's concurrence or comment on the statement concerning foreign information policy guidances.

2. CIA approves the paper as prepared, with the understanding, however, that it applies only to those departments and agencies in the United States Government engaged in overt foreign information and propaganda programs.
